

M.B. /

United States Psychotronics Association
Former Vice-President

Lynn A. Surgalla
Lynn A. Surgalla

Sincerely

Attached to this letter is a copy of my resume and relevant pages from HR2977 which lists the forms of Electromagnetic Directed Energy Weaponry currently in use.

I assure you that similar cases of assault-torture-murder with these weapons are being addressed all over the world. Please give this matter your closest attention. The INTERNATIONAL HUMAN-RIGHTS COMMUNITY is deeply interested in the outcome and concerned that justice be served in all cases of Directed Energy Weapons assault.

Ms Milliecent Black's claim of being assaulted with some form of DIRECTED ENERGY WEAPON is to be taken very seriously. If the criminal assailants are found to be law enforcement personnel or government employees, then the crime is an EVEN MORE SERIOUS OFFENSE with grave political implications. If the crime is found to be racially or religiously-motivated torture-assault, then the bias-crime laws also apply.

In 2001, HR2977, The Space Preservation Act (2001) was introduced into Congress to BAN ALL Directed Energy Weapons. Its passage has thusfar been blocked. In 2002, the United Nations Institute for Disarmament Research (UNIDIR) formally listed a NEW CATEGORY of WEAPON OF MASS DESTRUCTION (Psychotronic Mind Control and other Electromagnetic Resonance Weapons) in their 2002 Media Guide to Disarmament. In 2003, the State of Michigan passed into Law House Bills 4513 and 4514 BANNING the use of ALL FORMS of ELECTROMAGNETIC WEAPONS against Human Beings in the State of Michigan. In 1999, the European Union Parliament passed Resolution A4-0005/1999 Section 27 which "Calls for an International Convention introducing a GLOBAL BAN on all developments and deployments of weapons which might enable any forms of manipulation of Human Beings." (PSYCHOTRONIC WEAPONS).

As Former Vice-President of the United States Psychotronics Association, I assure the Court that the illegal testing, development and use of Psychotronic, Microwave, Laser and other forms of Electromagnetic Directed Energy Weaponry is a matter of grave concern to both the US and International Communities. These weapons are ALL potentially LETHAL, although sublethal injuries may also be inflicted as with the use of any other lethal weapon such as a gun, knife or chemical poison. Assault and Battery and/or torture/murder with any form of Directed Energy Weapon IS Assault and Battery and/or torture/murder with a LETHAL WEAPON. Despite claims to the contrary by criminal elements in our own government, there is NO SUCH THING as a NONLETHAL WEAPON (even those currently in vogue for "Slow Kill" torture-interrogation by war criminals worldwide).

To the Court:

Lynn A Surgalla, Former Vice-President
United States Psychotronics Association
