FBI WHISTLEBLOWER GERAL SOSBEE:

Remember please that only FBI/CIA have powers with Fusion Centers globally to run horrendous campaigns for torture and murder. Also, FBI has a duty to investigate the crimes we describe. The FBI and FMJ (Federal Magistrate Judges) authorize these offenses and could stop them. *(April 11, 2018/Leaked Gangstalker Recruitment Video, The Everyday Concerned Citizen)*

The FBI is spearheading the most colossal and evil attacks on people ever conceived on the face of the Earth, and they are using Deep Space-based technology, they are using Bio-Chemical Viral Warfare Elements and Agents, and they're using Psychological Warfare to destroy people. *(April 1, 2018/Ramola D Reports/Report #56-Geral Sosbee, FBI Whistleblower Reports Massive Crime By FBI)*

NSA WHISTLEBLOWER KAREN MELTON-STEWART:

The scam goes like this, random people, or people who are dissidents or whistleblowers are purposely mislabeled as “terrorists” and put on an **Enemies List**, which is then turned over to Defense Contractors to target under perverted interpretations of NDAA and PAA (Patriot Act)...Police are even used as liaisons to **citizen vigilante groups** like **Infragard**, or other “civic minded” organizations who are lied to about the target (being a terrorist/ traitor/ criminal) and enticed/paid to stalk and harass them 24/7. *(May 26, 2016/NSA Whistleblower, Karen Stewart: Synopsis of the Silent Holocaust Taking Place in the United States)*

CIA WHISTLEBLOWER BARBARA HARTWELL:

I can't hone it down to just CIA, but I can tell you, all these people, they're all connected. For instance, in a Town Hall, every little town in the United States, every city, you'll get people—there's a Town Hall and there's a City Government or a Town Government, they've got people in there...they have them in the Post Office..What they're doing is they're recruiting an army of Citizen Spies and Busybodies—and the People, who don't even know what's going on, some of them, they gladly become a part of it, thinking “Oh, I'm doing a service to my country!” But they're NOT. *(April 10, 2018/Barbara Hartwell, CIA Whistleblower Discusses CIA History, Propaganda, Targeting)*

PATRIOT ACT CRIMES AGAINST HUMANITY ARE BEING CONCEALED BY COLLUDING DOCTORS LABELING & DISCREDITING REPORTING VICTIMS AS PARANOID, SCHIZOID, AND DELUSIONAL.
