Dear Ramola D

Freedom of Information Act 2000

Thank you for your request for information received on 03 July 2019

This request is being handled under the Freedom of Information Act 2000.

Section 1 of the Freedom of Information Act 2000 provides two distinct but related rights of access to information which impose corresponding duties on public authorities. These are:

- The duty to inform the applicant whether or not information is held by the authority and, if so,
- The duty to communicate that information to the applicant.

Section 17 of the Freedom of Information Act 2000 requires the London Borough of Redbridge, when refusing to provide such information (because the information is exempt within the provisions of the Act) to provide you, the applicant, with a Notice which:

1. a) states the fact that an exemption has been applied
2. b) specifies the exemption in question, and
3. c) states why the exemption applies (if that would not otherwise be apparent)

I am writing to express my grave concern about the egregiously wrongful sectioning attempt made on Equity Lawyer Mr. Edward Ellis on 26 June 2019, which was preceded and succeeded by other wrongful Mental Health sectioning attempts, as Ms. Neelu Berry has noted below, and as reported in my coverage on this very distressing matter over the

weekend: Community Care or Deranged 'Mental Health Team'? UK Police Carry Taser Into Home Break-In to Attack Whistleblower Patient with Kidney Failure Egregious Sectioning and Kidnap Attempts on Equity Lawyer Edward Ellis As the Completing Mass Corruption Remedy Process Exposes Pervasive Crime & Corruption in UK Courts, Police Departments, and Hospitals from Ms. Berry:

Attempt 1. On 17th June 2019, a phone call was received from a Redbridge Mental Health Team offering their services, which were declined by Mr Ellis

Attempt 2. On 18th June 2019, at 9.45 am, an unannounced Mental Health Home Sectioning Fraud Attempt was made by a Team of 3 at the new home of Mr. Edward William Ellis.

Attempt 3. On 19th June 2019, at 9.45 am, a second failed Home attempt was made with a Team of 4.

Attempt 4. On 19th June at 3pm, an attempt was made by a Nephrologist, Dr. Lever at Queens Hospital, Romford Essex, on grounds that there was an earlier Mental Health Fraud by Nephrologist of Brighton and Sussex University Hospitals NHS Trust, namely Nephrologist Dr. Adam MacDiarmid-Gordon, who has failed to provide Dialysis without follow-up of the Fistula left in place for 7 months, causing the blood to bypass the lungs and kidneys, causing weight loss, infections, hayfever, heart enlargement, concealing a slow tortuous death.

Attempt 5. A Phone call was received from the Mental Health Team at 5pm on 19th June 2019 to attempt to kidnap Mr Ellis.

Attempt 6. Mental Health Fraud Kill Attempt on Edward Ellis 26th June at 450 New North Road Hainault Essex IG6 3EB (Attempt 6 involves the Policeman with Taser, remarked in my articles linked above, and the subject of my concern in this letter.)

Attempt 7. I understand there was another sectioning attempt after 26 June made at a previous home of Mr. Ellis's in Brighton, at 7:30 am on 28 June when a warrant officer from Excel Enforcement on behalf of Brighton Hospital knocked and made enquiries about Mr. Ellis.

I have written to the Press Offices at Redbridge Council and at the Care Quality Commission asking for more information on this matter (of the 26 June 2019 break-in and arrest attempt), and await their response in order to report further to the public all facets of this extremely troubling case which essentially looks to all educated observers as unethical, unwarranted, and an ongoing crime against humanity. My Request for Information, which includes Ms. Neelu Berry's complaint to the Care Quality Commission, is enclosed for your review.

[We are unable to provide a response as this relates to a matter of personal care and treatment that falls outside of the FOI process. If Mr Ellis wishes to complain about his treatment he can do so by contacting the NELFT complaints team at \[nelftcomplaints@nhs.net\]\(mailto:nelftcomplaints@nhs.net\)](#)

[We are withholding that information since we consider that the following exemption applies Section 40\(2\) as below:](#)

The information is exempt from disclosure under Section 40(2) of the Freedom of Information Act (FoIA). The information is personal data as defined by the Data Protection Act 1998 (DPA). As it is information about someone else I'm unable to give this to you; release of this information would constitute a breach of Principle 1 of the DPA. Principle 1 states that personal data shall be processed (used) fairly and lawfully and, in particular, shall not be used unless at least one of the conditions in Schedule 2 of the DPA is met; in this case none of those conditions have been met. This response therefore acts as a refusal notice under section 17 of the FoIA.
